Table Of Contents

Boe, Erling E., Gocka, Edward F., Kogan, William S., A Factor Analysis of Individual Social Desirability Scale Values 287

Boe, Erling E., Gocka, Edward F., Kogan, William S., The Effect of Group Psychotherapy on Interpersonal Perceptions of Psychiatric Patients 177

Bloom, Bernard L., A Census Tract Analysis of Socially Deviant Behaviors 307

Borgatta, Edgar F., and Cautley, Patricia W., Behavioral Characteristics of Children: Replication Studies With Foster Children 399

Burt, Cyril, The Early History of Multivariate Techniques in Psychological Research 24

Cartwright, Desmond S., and Howard, Kenneth I., Multivariate Analysis of Gang Delinquency: I. Ecologic Influences 321

Cartwright, Desmond S., and Sweney, Arthur B., Relations Between Conscious and Unconscious Manifestation of Motivation in Children 447

Cattell, Raymond B., Guest Editorial: Multivariate Behavioral Research and the Integrative Challenge 4

Cattell, Raymond B., The Scree Test for the Number of Factors 245

Cattell, Raymond B., Merrifield, Philip R., Messick, Samuel J., Cartwright, Desmond S., Sells, Saul B., Editorial Statement 2

Eber, H., Toward Oblique Simple Structure: Maxplane 112

Fruchter, Benjamin, and Skinner, James A., Dimensions of Leadership in a Student Cooperative 437

Guilford, J. P. and Hoepfner, R., Sixteen Divergent-Production Abilities at the Ninth-Grade Level 43

Horn, John L., and Little, Kenneth B., Isolating Change and Invariance in Patterns of Behavior 219

Krause, Merton S., Ordinal Scale Construction for Convergent Validity, Object Discrimination, and Resolving Power 379

Lorr, M., Dimensions of Interaction in Group Therapy 67
